### *Special Note:*

There are many poems in the above selections that you may not like or even enjoy as the author of the poem may have an opposing worldview. However, it is important that your scholar be exposed to the poem by those that can at least to justice to the piece. Moreover, these poems may spark many lively discussions at the family evening meal preparing your scholar to calmly and intelligently meet questions that may arise in the future. For more help in analyzing poetry, be sure to review the Poetry Section at [www.lovetolearnplace.com](http://www.lovetolearnplace.com). There are many worksheets in that section that will aid your scholar.
